### 政綱

身為太古城居民之一，大家面對的問題，我會利用過去在太古城服務廿六年的經驗，盡心盡力去為大家服務。

我會通過合法的途徑，以有效、和平的協商形式，去解決區內居民的問題。特別是監察及促成以下事項：

- 位於太茂路的食店運作，影響食店樓上及附近的居民日常生活。
- 華蘭路益新工業大廈的噪音及沙塵污染情況。
- 促請運輸處於太古城道附近到益新大廈一段，太古城第五期及華蘭花園之行人路中間一段設斑馬線。
- 促請有關部門盡早完成鯪魚涌公園第二期（位於東區海底隧道入口旁之休憩用地）。
- 就香港大部份市民的意願去支持或反對政府的政策。（例子：本人是維多利亞公園 7-1 遊行、五十萬人中的一份子。）
- 盡心盡力的去為每一個需要我幫忙的人，並達到我的理念：「為有需要的人服務」。

### Platform

Being a Taikoo Shing resident myself, I face the same problems as you do, so I shall use my 26 years experience in Taikoo Shing to continue to serve you to the best of my ability.

I shall deal with all problems affecting Taikoo Shing and, we residents, with a COMMON SENSE approach, i.e. with a view of solving them EFFECTIVELY, PEACEFULLY, through NEGOTIATION and within the LAW.

In particular I shall monitor and act upon:

- the fumes from restaurants affecting the families living in flats above, in particular in Tai Mou Avenue and other parts of the estate
- the noise and dust from the demolition of Aik San Building in Westland's Road
- the provision of a Zebra Crossing from stage V garden across Taikoo Shing Road to safely cross the road near the demolition site of Aik San Building
- the completion of the Quarry Bay Park 2<sup>nd</sup> Phase next to the Eastern Harbour Crossing Entrance into a recreational area
- the reservation or support to government's policies, which would likely affect us common people of HK ( For example, I was at Victoria Park on 1<sup>st</sup> July as one of the 500,000 people there!)
- the help to anyone Knocking at my office's door.....in fact MY MOTTO is " TO HELP THOSE WHO HELP THEMSELVES FIRST!"
