政綱 Election Platform:

經過了「沙士」一疫，無論是醫學界或市民都承受了沉重的打擊。未來四年，將會是一個關鍵的時刻。

在過去四年來，無論在醫療服務、醫療政策，以及牙科服務方面，並沒有真正的進步或改善。業界代表是否真真正正，實實在在的為我們醫生及牙醫去爭取？又是否把個人的政治利益放在最重要的位置？

醫學界需要新人事，新力量及新方向去創造新局面。

在過去一段長時間，我從不間斷及踏實地在關注及改善醫療政策上工作。醫學界需要一個理念清晰，肯堅持原則與及踏實的業界代表。

請您支持我，在九月十二日，投下重要的一票，謝謝。

In the past four years, is there any real improvement in the health care or in dental service in Hong Kong? After the SARS incident, the medical field need to fuel in new leaders and new energy for a better future.

We need a new representative with knowledge, vision, dedication and integrity to fight for better medical and dental services. We need a person who really cares for doctors, dentists and the people of Hong Kong.

I have been serving in various capacities in the field and have worked persistently for a better medical policy and medical services.

Please support me and cast your important vote. Thank you.
