政綱 Election Platform:

I stand for CHANGE, for a new development model for Hong Kong.

- Creating better urban places for happier people.
- Creating a sustainable city for future generations.
- Creating a quality living environment to attract talent.
- Creating a better Hong Kong that's good for business.

I am a businessman with much at stake in Hong Kong. I will protect the business interest, and a free, open and competitive economy. But my objective is to bring ideas of sustainable development and better quality of life through environmental protection and better urban planning into the political mainstream. I believe that this vision for Hong Kong will put us in the forefront of 21st century cities seeking a sustainable future, and that this will usher in unprecedented economic success for our city.

我代表一把求變的聲音—香港需要以新的模式發展：

- 讓市區的環境規劃得宜，我們活得更愉快！
- 讓香港成為可持續發展的大都會，下一代得享成果！
- 讓香港的居住環境變得更理想，吸引和留住人才！
- 讓我們擁有更美好的香港，經濟發展日趨蓬勃！

我是商人，生意和家人都在香港。我會捍衛商界的利益，以及自由開放和具有競爭力的經濟環境。與此同時，我的目標是希望透過保護環境和更得宜的城市規劃，把可持續發展和優質生活的概念融入主流政治。我相信，只有把視野放在香港的持續發展，才能為這個城市帶來前所未有的經濟發展！
