The free connection trip includes travel to Lo Wu or Lok Ma Chau stations, but excludes Light Rail, MTR Bus and East Rail Line First Class. When passengers interchange from MTR Line to Airport Express, free connection trip is applicable to the journey with lower fare. When changing between Tsim Sha Tsui/East Tsim Sha Tsui Stations, passenger must do so within 30 minutes of arrival at either station. The savings will vary depending on the fare of the connection journeys. For passengers whose boarding and destination stations are different, the total fare will be calculated as the average of the fares for the two journeys.
