本人在一般保險、壽險及銀行保險方面有超過30年經驗，多年來一直積極參與業內不同委員會的工作。若本人成功當選，定當收集業界意見，以公平、客觀及負責任態度推選合適人士出任行政長官，以促進保險業進一步發展，提升香港作為國際金融中心的地位，從而為業界及市民謀求最大福祉。

With over 30 years of experience in general insurance, life insurance and bancassurance, I have been actively serving on various insurance committees over the years. If elected, I will gauge the industry's views and pledge to impartially, objectively and responsibly select a suitable candidate as Chief Executive, who is committed to further developing the insurance industry, strengthening Hong Kong's position as an international financial centre, as well as fostering the well-being of the sector and the community at large.
