Points to note when voting

Please present the original of your valid Hong Kong Identity Card ("HKID card").

The polling staff will issue ballot paper(s) after verifying your identity as a voter and/or an authorised representative of a related subsector through the Electronic Poll Register (EPR) System. If a voter or authorised representative presents a specified alternative document, the polling staff will, upon obtaining the Presiding Officer's authorisation, manually input the HKID card number into the EPR system for verification and the issuance of ballot paper(s).

Specified alternative documents include the following:
- the original of a valid Hong Kong Special Administrative Region ("HKSAR") Passport; or
- the original of a Certificate of Exemption; or
- the original of an acknowledgement of application for a HKID card; or
- the original of the person's valid seaman's identity book; or
- the original of the person's valid document of identity for visa purposes; or
- a document evidencing a report to a police officer of the loss or destruction of the person's HKID card or the Certificate of Exemption or the acknowledgement of application for the HKID card (commonly referred to as "a memo of lost property"), together with the original of a valid passport* or similar travel document (e.g. a passport other than the HKSAR Passport, or the Home Return Permit) showing his/her name and photograph.

  * British National (Overseas) (BN(O)) passport is not a valid travel document or proof of identity.

○	安日常 ON YAT SHEUNG
●	夏艾梅 HA NGAI MUI

2

Vote for no more than the prescribed number of seats to be elected by the relevant subsector (that number will be shown on the ballot paper), or the ballot paper will be regarded as invalid.

3

After marking a ballot paper:

Ballot paper checking machines will be available at polling stations for voters or authorised representatives to use voluntarily to check whether they have marked their ballot paper(s) properly in accordance with electoral laws. The ballot paper checking machines **will not** record or count choices marked on the ballot papers.

After checking, the voter or authorised representative should -
1. Turn the ballot paper so the marked side faces down.
2. Put the ballot paper directly into the ballot box.

⚠ **Note: DO NOT fold the ballot paper.**
