2021 Legislative Council General Election

Election Committee Constituency Introduction on voting procedures

The Registration and Electoral Office will set up an Election Committee Constituency (ECC) polling station for ECC electors to cast their ECC, Geographical Constituency (GC) and Functional Constituency (FC) (if any) votes of the 2021 Legislative Council General Election.

Date:	December 19, 2021 (Sunday)
Polling hours:	8:30am – 10:30pm
Polling station address:	Convention Hall, 1/F, Hong Kong Convention and Exhibition Centre (HKCEC)

Polling

Obtaining ballot papers

Electors will be directed to a ballot paper issuing desk in the polling station

Electors to present the Hong Kong Identity Card to the staff and pull aside the mask temporarily as instructed

Staff will use the Electronic Poll Register system to verify electors' identity and then issue the ballot papers

Electors should immediately proceed to a voting compartment to mark the ballot papers by themselves

Marking ballot papers

ECC ballot paper

- Electors **must** vote for 40 candidates, no more and no less. Otherwise, the ballot paper will be considered invalid and will not be counted
- Electors to use the black pen provided by the polling station to **fill in** the **oval** opposite the names of the candidates of their choice
- Electors are encouraged to use an Optical Mark Recognition (OMR) machine installed near the exit of the polling station, after marking the ballot paper, to check whether the number of candidates marked on the ballot paper is 40. The machine **will not** record the choices marked on the ballot paper. If necessary, electors may seek help from staff
- If there is an error in marking the ballot paper, electors may return that ballot paper to the Presiding Officer and ask for another unmarked ballot paper
- Electors to insert the ballot paper into the envelope provided by the polling station and put it into the white ballot box. Do **not** fold the envelope or the ballot paper

GC and FC ballot papers

- Electors to affix the chop provided by the polling station to mark a single "✓" in the circle opposite the name of the candidate of their choice on the GC and FC ballot papers respectively (up to 3 candidates in the case of the Labour FC)
- With the marked side facing down, electors to insert the GC ballot paper into the **blue** ballot box while the FC ballot paper into the **red** ballot box
